SunRail peak service is generally 5:30 - 8:30 a.m. and 4:00 - 7:00 p.m. weekdays; however, times vary based on SunRail station location and direction of travel. Please check schedule information at www.SunRail.com prior to travel.

LYNX makes every effort to coordinate connecting bus schedules with SunRail train schedules, however due to changing conditions on local roads and the desire to coordinate schedules with other LYNX routes, a layover may be necessary.
