# TIMELINE

## Feedback from Evaluators

# Feedback from Evaluators

## ❖ **Check Your Math!!!**

- When you don't perform correct calculations, it carries forward, and distorts the rest of your grant application

## ❖ **Review, Review, Review...**

- Have team members, friends or family that are not directly involved with your application review your work to ensure it makes sense

## ❖ **The Dollars are in the Details.**

- Provide as much detail as possible in your answers and accurately represent your system description and proposed project

# Feedback from Evaluators

## ❖ **Right-size your request.**

- Some funding requests over-reach on need, raising red flags for evaluators – request what your agency is capable of responsibly operating and maintaining

## ❖ **What is today?**

- Please ensure that your agency is aware of critical eligibility dates, deadlines and submittal locations pertaining to the 5310 application process

## ❖ **Make it relevant.**

- Don't assume evaluators know – clearly demonstrate how your project addresses the transportation needs of the elderly and disabled

# Feedback from Evaluators

## ❖ **Establish some boundaries.**

- If your project is not entirely within the urbanized area boundaries, make the methodology clear for determining split between urban and non-urban trips

## ❖ **Call us, we won't call you.**

- Applicants will not be contacted to obtain additional information

# Questions

## Before you leave...

- **Ask questions**
- **Attend breakout sessions**
- **Get your flash drive**
