

**General Planning and Consulting Services  
RFP 19-R02  
ADDENDUM NUMBER FIVE (5)  
AUGUST 8, 2019**

Please note the following:

1. TEAMING

Teaming is not required in order to be considered responsive. LYNX is seeking to pre-qualify multiple firms based on their expertise and experience for the proposed Category and related Sub-Task

2. PERFORMANCE BOND

Performance bond and DBE requirements will vary and will be determined for each task order following award. Letters of credit may be requested for firms to assess financial capacity at the time of initial proposal submission.

3. UTILIZATION

The numbers below are provided in response to Addendum 2 # 41: "Average utilization (and spend) for consulting services over the past five years." The numbers below are based upon information readily available to LYNX. LYNX has not independently verified the numbers provided, makes no claim as to the accuracy of the numbers provided, and expressly disclaims any duty to update the numbers provided based upon any information that may become known to LYNX subsequent to the date hereof. Additionally, the numbers should not to be used as an indicator of future utilization.
