

# Welcome Aboard

## *NeighborLink* 604

On Oct. 22 LYNX will proudly provide you a public transportation option via our neighborhood circulator called NeighborLink (NL). The pink, silver and black NL fleet is designed to make it easier for you to get around and use our bus system. All you need to do is make a reservation at least two hours prior to your trip by calling **407-244-0808**.

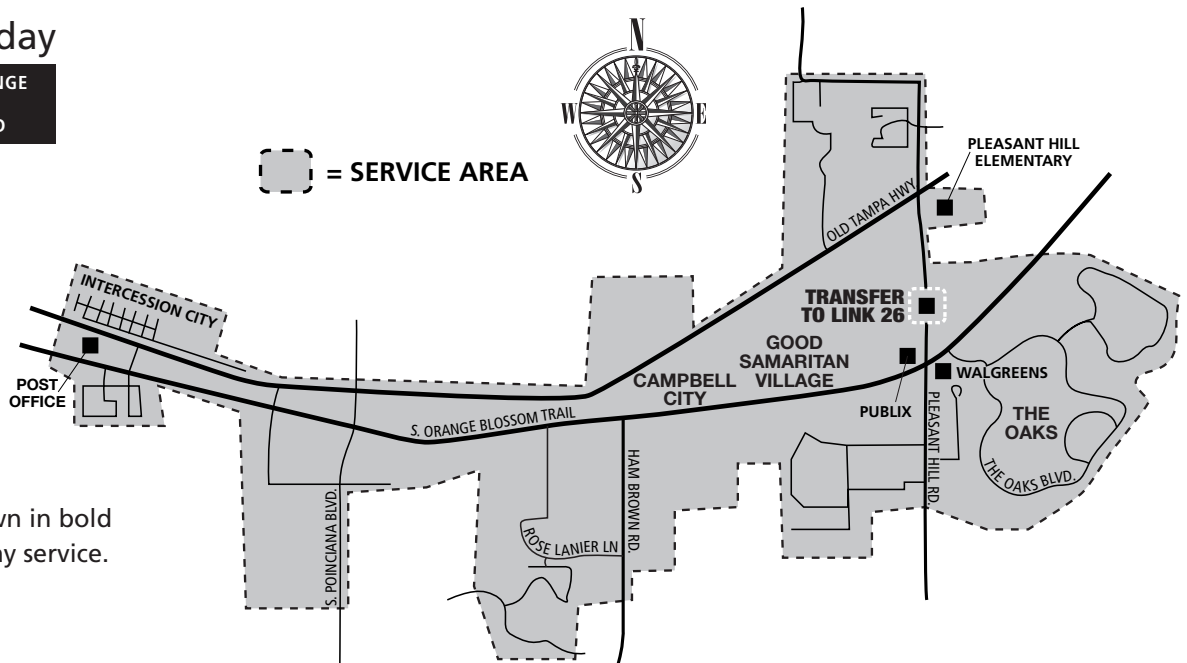

A NeighborLink vehicle will pick you up and bring you back, if needed. The NL operator will provide transportation anywhere within the designated service area or to a LYNX local bus stop.
