

NOTICE REGARDING THE LYNX WELLNESS PROGRAM

The LYNX Wellness Program is a voluntary wellness program available to all benefit eligible employees. The program is administered according to federal rules permitting employer sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others.

Incentives of up to \$280 in gift cards are available for employees who participate in certain health related activities or achieve certain health outcomes. If you are unable to participate in any of the health related activities or achieve any of the health outcomes required to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by utilizing the alternative activities form available from LYNX Medical Plan Administrator (Cigna).

The information from your HRA and the results from your biometric screening will be used by the LYNX Medical Plan Administrator (Cigna) to provide you with information to help you understand your current health and potential risks.

We are required by law to maintain the privacy and security of your personally identifiable health information. The only entity that will receive your personally identifiable health information is the LYNX Medical Plan Administrator (Cigna) to provide you with service suggestions under the wellness program.

Although LYNX Wellness Program uses aggregate information that the LYNX Medical Plan Administrator (Cigna) collects to design a program based on identified health risks in the workplace, the LYNX Wellness Program will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements.

In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the wellness program, we will notify you immediately.
