

LYNX Paw Pass – Add and Buy ADA and TD Fares

1 Register with AccessLYNX to activate ADA and TD fares on PawPass. After downloading the PawPass mobile app and creating an account, the customer will call AccessLYNX to activate the fares for ADA and TD rides. Once activated, ADA and TD fares will show in “Pay as you go.”

“Pay As You Go” fares are paid from the cash wallet. If this shows \$0.00, add funds using the green button at the bottom.

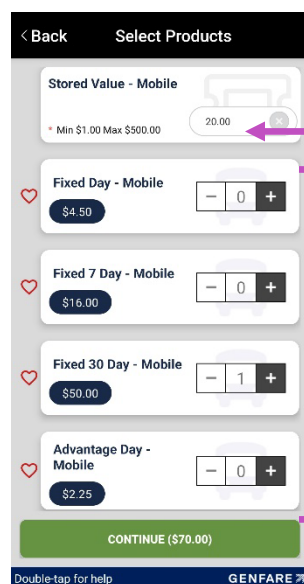

“Pay As You Go” fares will include the fixed route fares and AccessLYNX fares for ADA and for TD. These include:

- \$4.00 – ADA In Service Area
- \$7.00 – ADA Outside Service Area
- \$2.50 – TD less than 5 miles
- \$3.50 – TD 5 to less than 10 miles
- \$4.50 – TD 10 miles or more

ADA and TD fares are only valid for 30 minutes from the moment of purchase. *Do not purchase until boarding the AccessLYNX vehicle* so the fare can be shown to the driver.

Add funds if needed to be able to purchase fares.

2 Add funds or passes to your wallet. After clicking “Add Funds” in step 1, enter cash value in your wallet to use for purchasing single ride fares, or add Day, 7-Day, and 30-Day passes (page down for more options). When done click “Continue”. Enter a credit or debit card (limited to MasterCard, VISA, or Discover) or use a previously saved card. (Note books of tickets are not sold on the app.)

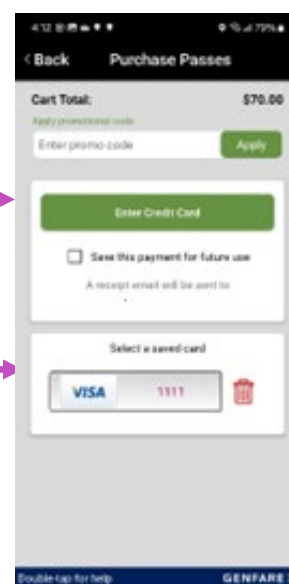

Enter value to add to your wallet (for single ride fares) here.

Choose period passes here (page down for more).

Click “Continue” when done.

Enter credit card number or use saved card sliding the card logo to the right.
